

# Le Chenil du Caravelle

Village Costain, 50210 Notre Dame de Cenilly

## Finding us from Notre Dame de Cenilly – distances shown are from town crossroads

1. From the town crossroads take the D29 signposted Monpinchon & Cericy la Salle (& stade). You will leave the crossroads with the EpiService shop and Boulangerie/Pâtisserie on your left and the Church on your right.

2. Very shortly after leaving the town, at just 0.4km, you will see a large cross forming a junction [*above*]. Take the left fork here. This is the D206 but it is not marked as such. It is quite a twisty road. At 1.2km you will go down a hill through a tiny hamlet, and see a pink house on your right.

3. At 1.55km the lane turns 90-degrees to the left, but it is possible to go straight on – **do not!** Follow the lane around to the left [*pictured above*]. You may notice a small stone shrine on your right hand side, if the grass is not too long. Very shortly afterwards, the lane turns 90-degrees right, with a farm and barn on your left. Follow the lane around to the right.

- 4 At 2.3km you will see a fork [*above*]. Turn right here. Continue to the very end of this lane where you will see, at 3.0km.....

- 5 .....a 'T'-junction faced by a metal gate [*above left*]. Turn right here. Very shortly after, at 3.25km, you take the first left, between the high banks of the bocage [*above right*], and you've arrived at Le Chenil du Caravelle!
